YOUR 2ND PAIR OF GLASSES + OPHTHALMIC LENSES FREE

TERMS AND CONDITIONS

If you purchase eyeglasses with a total value of 47 KWD or more, you can get a second pair for FREE.

This second pair will come with single vision of the same prescription with basic antireflection coating, as your first pair.

For purchases of eyeglasses with progressive lenses, regardless of the brand, with a total value of 74 KWD or more, you can also benefit from a second pair for FREE.

This pair will be fitted with progressive lenses of the same prescription with basic lenses Lumen progressive HD 1.5, with antireflection coating.

The frame for your second pair from Afflelou can be chosen exclusively from more than 150 models in the Magic Tchin Tchin lines - MH, MF, MJ, or ME - (without a clip offered) or from the Afflelou sunglasses collection priced at a maximum of 29 KWD.

This offer does not apply to the purchase of BlueBlock, Forty Afflelou glasses, non-prescription sunglasses, or if the first pair is priced below 47 KWD for single vision or near vision lenses, and below 74 KWD for progressive lenses.

The offer is valid in all ALAIN AFFLELOU stores in Kuwait from April 20.2024 to July 19.2024 for the same person only.

Prescription glasses are medical devices that are regulated health products bearing the CE mark according to this regulation.
Kindly consult our optician.
